Dear Joe:

I asked Percy to get in touch with you and find out could The Eagles and The Atlanta Crackers play in Portsmouth Thursday Sept. 14th and maybe Newport News the 15th. Percy said Brady was staying at his place, so I had expected to hear from you before now.

Please let me know right away, because The Crackers are playing me here in Newark the 10th , and I have to keep them busy.

Will greatly appreciate an immediate reply.

Very Truly Yours
